

March 14 1946

Mr Wm. B. McKechnie Jr
Dunn Field
Trenton N.J.

Dear Mr McKechnie:

I have just returned from our schedule meeting in Baltimore, and am hastening to write you and give you this list of the dates we scheduled to play Negro National League Baseball in Trenton this coming season.

I believe if we get the proper publicity, the games should draw well. We make our schedule up in half season, so these dates are only the ones wanted up to July 4th. Of course if we do not draw the teams will not want to come the second half, but I am sure we will draw.

You will notice two dates do not have any attraction listed. If you rent them for anything please let me know. We may ask for them.

You recall when we played there last year there was a mistake made on the charge for rent. You had told me we could have the park for 15% for park rent, the same amount we pay for other parks in that class; We also pay for the lights and help.

I will appreciate a confirmation of these dates, so I can get started on publicity as soon as possible.

Very Truly Yours
